ALTRA was established in 1988. We have the necessary knowledge and experience to compete in the trade business. Our products are shipped to 30 countries of the world. It is our intention to constantly raise the quality of the services we provide. The products we offer to our clients range from photo studio and photo store equipment, to a variety of storage media, multimedia, memories, frames and albums, bags, chargers, batteries, and other products from a wide range of well-recognised and respected brands. In 2007, we became the general distributor of SONY's professional dye-sublimation devices for image printing. In accordance with the 2011 business agreement between SONY and DNP, establishing collaboration in the production and distribution of printing devices, we automatically became DNP's distributor.

FOTOGRAFIA MASTERCLASS is a quarterly magazine dedicated to photographers aspiring to professional status and to high end digital photography enthusiasts. Its departments cover portrait and street reportage, landscape and close-up photography as well as nature and studio photo workshops. New additions include Photo Challenge and Family Album section. Articles, images and technique tips from the best world photographers fill at least 164 pages of every issue. The mission is to inspire, teach and recognize achievements of our readers. FOTOGRAFIA MASTERCLASS is designed to support growth, sophistication and maturity of the advanced digital photography users. We also cover newest and the best of equipment and regularly publish tutorials on computer postproduction techniques. Apart from four regular issues there are special issues: PORTRAITS, OUTDOOR PHOTOGRAPHY, CLOSE-UP PHOTOGRAPHY, soon on sale issues LANDSCAPES and PHOTOSHOP & LIGHTROOM Guide.

Canadian Lenspen products have been sold since 1992 in more than 72 countries around the world. Thanks to innovative active carbon, they are the best solution for cleaning lenses, matrices, glasses, screens, binoculars or sports cameras. Carbon molecules have unique ability to absorb oil and dirt. Because of that, the cleaned surfaces remain free of streaks, even in hard to reach areas. Exclusive importer on Polish market is MK Atena Magdalena Gawrysiuk.

'POZNAJ ŚWIAT' MONTHLY MAGAZINE
magazine on travel and geography
PROBIER Publishing House

'POZNAJ ŚWIAT' is a renowned magazine on travel and geography with a long tradition, whose role is to foster the knowledge of the world. A leading title among the finest magazines on travel and adventure. The cult monthly has been published incessantly since 1948. It describes fascinating places in an attractive manner. We inspire our readers to visit countries from all corners of the world. We publish reportages with a big dose of adrenaline. Our magazine shows the world from a Polish point of view and, on the contrary to other travel magazines, it doesn't contain reprints from the world editions. It is distinguished by the attention to a high editorial level and a detailed language edition.

'POZNAJ ŚWIAT' magazine has sponsored the escapades, expeditions and travel events for many years. The editorial staff prizes the variety of articles and supplements them with high-quality photos.

Polish Society of Cinematographers was established in 1994. Its main aims from the very beginning were: representation of cinematographers' interests (mainly by protecting their copyrights), support of the initiatives which develop the art of filmmaking, and popularization of the cinematography and photography theory. PSC constitutes of the winners of many festivals and professors of film schools and art universities, and gathers cinematographers who are world top class artists and their work is highly renowned. Its members are, among others: Jolanta Dylewska, Paweł Edelman, Sławomir Idziak, Arthur Reinhart, Witold Sobociński and Jerzy Wójcik. For 4 years PSC gives the PSC Award for the best cinematography in a feature movie. The winners are: Arek Tomiak ("Manhunt"), Łukasz Żal i Ryszard Lenczewski ("Ida"), Piotr Sobociński jr ("Gods") and Arek Tomiak ("Karbala").
